Hebrew sign is held aloft as marchers parade up Fifth Ave. NEWS photo by Anthony Casale

A Salute to Israel on Fifth Ave.

By HUGH WYATT and PAUL MESKEL

Under a blue-and-white sky, the colors of the Israeli flag, the fifth annual Salute to Israel parade swung up Fifth Ave. yesterday to the cheers of 200,000 spectators and the taunts of small groups of Arabs and neo-Nazis.

The 60,000 marchers were heckled by members of the National Renaissance Party, a neo-Nazi group, and the Action Committee on American-Arab Relations, which also held a rival parade on Madison Ave.

Six Are Arrested

Police prevented a major clash between the militant Jewish Defense League and the anti-Israeli demonstrators. Six persons were

arrested and two patrolmen were slightly hurt.

The parade started at 11 a.m. at 57th St. and proceeded north to 86th St., passing the 69th St. reviewing stand crowded with politicians.

About a dozen members of the National Renaissance Party picketed behind police barricades at 60th St. and Fifth Ave. They

carried a large red flag decorated with a black thunderbolt on a circular field of white. Several members of the Jewish Defense League, bringing up the rear of the march, rushed at the neo-Nazis. Police broke up a brief scuffle.

A group of 37 Arab demonstrators marched up Madison Ave. from 57th St. chanting "Palestine is Arab" and "Long Live al Fatah," the Arab guerrilla organization.

At 72d St., the Arabs moved west to Fifth Ave. in time to shout insults at the end of the

Cops Keep Them Apart

They remained behind police barricades at first, but when the last marchers passed and the barricades came down, Arabs and Jews rushed at each other. Bloodshed was prevented by about 30 tactical patrol force officers who kept the two groups apart, herded the Arabs into a police bus and took them to a subway station at Lexington Ave. and 42d St., where they were released.

Six persons arrested in the earlier scuffle were identified as Richard Miller, 22, a student, of 2038 E. Ninth St., Brooklyn; William Schlatter, 23, a clerk, of Lodi, N.J.; Irwin Koppel, a teacher, 28, of 10 Ocean Parkway, Brooklyn; Sol Cohen, 43, a Sanitation Department employee, 6215 Strickland Ave., Brooklyn; Michael Lebowitz, 18, of 194 Keep St., Brooklyn, and Sam Alhonte, 43, 1864 72d St., Brooklyn.

They were booked at the Central Park station on various charges, including disorderly conduct, unlawful assembly, riot and resisting arrest.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-white.
3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

A characterization of the MLF appears in
the Appendix attached hereto.

Dellinger stated that "the establishment"
should have been indicted for the disturbances during the
1968 Democratic National Convention in Chicago, Illinois and
not the eight individuals including himself who were selected
by the Government. He stated there was a police riot at the
Democratic National Convention since the police were well-trained,
disciplined, in formation and were only carrying out orders.
He stated that the reaction of the anti-war movement to Govern-
ment repression is to turn against Capitalism; and that repression
of the anti-war movement results in the strengthening of this
movement.

[] of the BPP said that the BPP is not
racist and accepts whites as brothers. He talked about
Government repression of the BPP throughout the country and
the need for revolutionary organizations in white communities.
He announced that a revolutionary conference of the BPP was
scheduled for July 18-21, 1969, at Oakland, California for the
purpose of creating a united front against Fascism.

[] announced that a demonstration would be held
at Foley Square, New York City on June 3, 1969, at 2:15 PM
on behalf of 21 members of the BPP under indictment in New
York City. He urged all present to attend this demonstration.

[] said that he arrived in New York City on May
31, 1969 accompanied by [] (phonetic) who he stated
was [] of the BPP.

No disturbances took place during this meeting; no
arrests or incidents of violence occurred.

Prior to the meeting, the National Renaissance
Party (NRP) held a picketline demonstration across the
street from the Manhattan Center which consisted of
approximately 15 individuals waving Nazi flags. This counter-
demonstration began at 7:15 PM and ended at 8:30 PM. No
confrontation between the pickets and individuals entering
Manhattan Center took place.

APPENDIX

1.

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by [redacted] and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

b6
b7c

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

Re: NATIONAL RENAISSANCE PARTY
SUBVERSIVE ORGANIZATION CHARACTERIZATION
RACIAL MATTERS

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

ARE JEWS BEHIND AMERICA'S INTERNAL REVOLUTION?

We should like Gentile Americans to forget their vaunted tolerance of malignant racial minorities just long enough to consider the following words of wisdom from a famous European Statesman AND TO APPLY HIS WORDS TO PRESENT CONDITIONS IN THE USA:

"IN THE POLITICAL FIELD THE JEW REFUSES THE STATE THE MEANS FOR ITS SELF PRESERVATION, DESTROYS THE FOUNDATIONS OF ALL NATIONAL SELF MAINTENANCE AND DEFENSE, DESTROYS FAITH IN THE LEADERSHIP, SCOFFS AT ITS HISTORY AND PAST, AND DRAGS EVERYTHING TRULY GREAT INTO THE GUTTER...CULTURALLY HE CONTAMINATES ART, LITERATURE, THE THEATRE, MAKES A MOCKERY OF NATURAL FEELING, OVERTHROWS ALL CONCEPTS OF BEAUTY AND SUBLIMITY, OF THE NOBLE AND THE GOOD, AND INSTEAD DRAGS MEN DOWN INTO THE SPHERE OF HIS OWN BASE NATURE. RELIGION IS RIDICULED, ETHICS AND MORALITY REPRESENTED AS OUTMODERN UNTIL THE LAST PROPS OF A NATION IN ITS STRUGGLE FOR EXISTENCE IN THIS WORLD HAVE FALLEN."

Consider the truth or falsity of the above statements! Who are the publishers of America's UNDERGROUND PRESS, the literary dunghills which combine the vilest forms of human degeneracy and sexual perversion with a strong dose of anti-American political indoctrination for High School and college kids? The Executive Editor of "SCREW" is the Jew, ALVIN GOLDSTEIN, the publication "KISS" is edited by the Jew, JOEL FABRICANT, while the Jews, ALLAN KATZMAN and JAAKOV KOHN, hold forth on "THE EAST VILLAGE OTHER". Study the editorial pages of such left-wing, whore-house literature as "THE BERKELEY BARB", "THE FREE PRESS", "PLEASURE" ad nauseam and you will find a stinking rat's nest of Jewish Nihilists. Who are the bearded "Hippies" and suave pseudo-intellectuals who seek to distort Nature and sabotage America's military defense? The Jew, DAVE DELLINGER, heads the Vietnam Peace Parade Committee which sends hordes of Jewish "Beatniks" and leftist subversives down Fifth Avenue each year to encourage HO-Chi-Minh's Red troops and stab our soldiers in the back. The membership of the notorious STUDENTS FOR A DEMOCRATIC SOCIETY (SDS) which has completely disrupted the American educational system (both at university and High School level) IS AT LEAST 75% JEWISH. Its New York leaders are the Jews, MARK RUDD and LEWIS COLES. Arrested for illegal activities in behalf of SDS at Brooklyn College was the Jewess, LYNN ROSSMAN. Among those arrested with MARK RUDD for illegal trespass at Columbia University were the Jews, FRANKLIN BARAFF, MICHAEL GOLASH, and JAMES GOLDBERG (an English teacher at Columbia). The "PSYCHEDELIC REVOLUTION" which seeks to emasculate American youth through the use of hallucinogenic drugs, phoney "Gurus" and distorted Oriental mysticism has been promoted by such Jews as ISAAC ABRAMS, RICHARD ALPERT, DAVID AMRAM, ALAN GINSBERG, MATI KLORWEIN, PETER MAX, AND RALPH METZNER. The chief promoter of the "PERMISSIVE SOCIETY" and champion of the anti-Natural belief that children should dominate parents and that young men should burn their draft cards and refuse to serve their country in time of war with Reds is the Jew, DR. BENJAMIN SPOCK. This phoney "pacifist" admitted on the LES CRANE TV SHOW that he sent a telegram to President Johnson demanding immediate American intervention on behalf of Israel at the outbreak of the SIX DAY WAR. Leaders of the "YIPPIES" which created the bloody Chicago riot in 1968 were the repulsive Jews, ABBIE HOFFMAN AND JERRY RUBIN, the latter being also a leader of the BERKELEY FREE SPEECH MOVEMENT for verbal filth.

The demonstrators marched up Broadway to the Band Shell in Central Park. The following individuals were observed during the activities that day:

The speeches were to commence at 3pm at the Band Shell in Central Park. [redacted] was the monitor of the speakers and constantly complained about the large number of individuals who were on the stage. [redacted] repeatedly asked [redacted] and other to leave the stage with negative results. The stage was overflowing with Viet Cong flags, large posters and people.

When it became apparent that [redacted] could not successfully clear the stage the speeches began in an atmosphere of confusion. [redacted] was introduced as an anti-war GI. [redacted] began his speech by saying that he was no longer a GI because the army had discharged him as "undesireable" last friday. [redacted] stated that he was discharged because of his hostility to the army and stated there is a new type of soldier in the army today, one that is not going to act like a robot. [redacted] stated that the only way to end the U.S. imperialism is to unite on a massive scale.

At about 3:45pm a small group of counter-demonstrators carrying a U.S. Flag and a hanging scaffold marched around the demonstrators chanting pro-US slogans. About 15 of these individuals circumvented the demonstration and ultimately ended near the right side of the band shell. The counter-demonstrators were surrounded by the demonstrators and a fight ensued. [redacted] was observed as one of the main individuals who attacked this group along with [redacted]. [redacted] grabbed the American flag from the hands of one of the youths and ripped it from the staff. The flag was retrieved however and the counter demonstrators were assisted from the area by other members of the demonstration who did not want to see this type mob action.

[redacted] was a speaker and described herself as a spokesman for Asians - Americans for Action, reading from notes gave a four minute speech in which she stated that her organization was interested in bringing issues of interest to Asians to the public. She condemned the colonialism, militarism and imperialism, the U.S. in Asia since World War II.

She stated that Asia was pivotal in world affairs and need to take sides on issues but should not be influenced by the aid being offered by the U.S. She also praised the leadership, Hanoi in Vietnam and said that the will of the people there is getting stronger as time passes.

[redacted] stated that the aid being offered to Asian nations is just a way in which the U.S. is saying that Asia can not take care of itself or govern itself. She stated "America must learn that Asia is for Asians so that Asians can create natural economy and self determination for themselves".

[redacted] concluded by stating the following demands of all Asian Americans:

1. Immediately remove all atomic weapons and military bases from Okinawa.
2. Return Okinawa to Japan.
3. End the U.S - Japanese security treaty.

She stated her organization endorsed peace not for peaces' sake but for people's sake.

The last speaker was [redacted] who was introduced as a member of the steering committee of the National Mobilization Committee to End the War in Vietnam from Washington, D.C. He said the demonstration was a success for all who are against the peace movement, for all racist and for the pentagon. [redacted] said if this type of organizing continues, it will only take one or two more demonstrations like this and "we are through". He called for a massive demonstration in Washington, D.C. on 11/15/69 and called for a legal action in Chicago on 10/11/69. After the 11/15/69 demonstration in Washington, D.C. there will be a meeting of those who want to stay and "plan other things" for the following day. [redacted] concluded by asking if the pentagon had organized this thing and asked "Who organized this chaos".

The demonstration concluded at 4:45pm and the crowd left the park. At the height of the demonstration it was estimated that approximately 2500 persons had participated in the demonstration and march.

Initially, approximately 175 demonstrators remained at Central Park Lake following the ceremony. This number dwindled steadily until 6:15 a.m., when the remaining 17 demonstrators left the park.

At 10:00 p.m. and 10:30 p.m., August 6, 1969, poems concerning victims of the Hiroshima bombing were read. During the vigil, demonstrators slept or were engaged in conversations in small groups.

The last segment of the march reached Central Park at approximately 3:05 p.m. The demonstrators proceeded through Central Park to the band shell located near 72nd Street and Fifth Avenue where a scheduled anti-war rally began.

Speeches were delayed by disruptions at the band shell caused by a group of "Crazies", an anti-establishment group, which occupied the band shell prior to the arrival of the marchers and refused to get off the stage. Brief scuffling occurred at the band shell but the Crazies were permitted to remain. Also occupying the band shell were members of YAWF and the US Committee to Aid the National Liberation Front. The disruptive individuals occupying the band shell repeatedly yelled for the CP to stay off the stage. b6 b7C

AMERICAN SERVICEMEN'S UNION

On November 1, 1968, a source advised that the American Servicemen's Union (ASU), formed during early 1968, maintains headquarters at 156 Fifth Avenue, New York, New York. ASU is dominated and controlled by the Workers World Party (WWP) and is designed to advance WWP efforts to undermine United States political and military objectives abroad by fomenting discontent among military enlisted personnel and by calling for establishment of a servicemen's union. ASU's chief propaganda weapon is publication of "The Bond - The Servicemen's Newspaper", which is widely circulated at military installations free of charge and at times unsolicited.

The source also advised that the ASU Chairman is ANDREW DEAN STAPP, undesirably discharged from the United States Army in April, 1968. STAPP is a member of the WWP. "ASU" and "The Bond" are terms used interchangeably in connection with WWP interests in military matters. The former has no real existence apart from the latter, since the publication is the primary means of generating interest among and communicating with servicemen interested in formation of a union. The union does not function as an organization at this time. It has, however, been given much publicity in each edition of "The Bond".

A characterization of the WWP is set out separately.

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. From an initial ideological posture of "participatory democracy," the current line of the national leadership reveals an adherence to Marxism-Leninism. Michael Klonsky, National Secretary, in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its present advocacy of an anti-imperialist line, linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. China, Vietnam and Cuba are regarded as countries which are leading the worldwide struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power and does not support the policies of that country.

SDS maintains a National Office in Room 206, 1608 West Madison Street, Chicago, Illinois. Its official paper "New Left Notes" reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings wherein program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

STUDENT MOBILIZATION COMMITTEE,
Also Known As Student Mobilization
Committee to End the War in Vietnam;
National Student Mobilization Committee

A source advised on May 16, 1969, that the Student Mobilization Committee originally grew out of the National Student Strike for Peace conference held in Chicago, Illinois, on December 28 - 29, 1966, which resulted in a call for massive anti-war demonstrations in New York City, New York, and San Francisco, California, on April 15, 1967. The National Student Strike for Peace was originally called by the Communist Party. Divisions arose between elements of the Communist Party and the Socialist Workers Party, culminating in a take-over by the Socialist Workers Party element in the summer of 1968, and the Communist Party element withdrawing. Source further advised the Student Mobilization Committee locally and nationally is controlled by the Socialist Workers Party and its youth arm, Young Socialist Alliance, as evidenced by their participation in Student Mobilization Committee functions and their leadership role played in the Student Mobilization Committee

The Socialist Workers Party has been designated pursuant to Executive Order 10450.

A report by the Committee On Un-American Activities, House of Representatives, Ninetieth Congress, First Session, dated March 31, 1967, entitled "Communist Origin and Manipulation of Vietnam Week (April 8-15, 1967)" stated that the Student Mobilization Committee and the April 15th, 1967, anti-war demonstrations were Communist dominated and inspired.

- A second source, on April 3, 1969, made available a copy of "The Student Mobilizer" dated April 5, 1969, which was self-described as being published by the National Office of the Student Mobilization Committee to End the War in Vietnam, 857 Broadway, Room 307, New York, New York 10003. In this issue the aims of the Student Mobilization Committee were set forth as: Bring the GI's home from Vietnam now; End campus complicity with the War, and Win self-determination for Vietnam and Black America.

In this issue of the publication, the Student Mobilization Committee pledged itself to organize high school students, college students, future draftees, GIs and all young people to fight until every last GI is brought home.

A third source, on August 5, 1969, advised that the Student Mobilization Committee currently occupies Room 307 at 857 Broadway, New York, New York.

A characterization of the Young Socialist Alliance (YSA) appears separately.

UNITED STATES COMMITTEE FOR
JUSTICE TO LATIN AMERICAN POLITICAL
PRISONERS, Also Known As
United States Latin American
Justice Committee

A source advised on November 18, 1966, that the United States Committee For Justice To Latin American Political Prisoners (USLAJC) was organized as a result of a meeting held during the latter part of 1966. As a result of the initial meeting, the Socialist Workers Party (SWP) initiated a second meeting about the first week in November, 1966. The Committee was formed for the purpose of obtaining clemency for Hugo Blanco, a Peruvian revolutionary freedom fighter. Although most officers of the USLAJC are not SWP members, this is another SWP defense committee.

The source advised the following on July 10, 1968:

The USLAJC is a non-membership organization with no headquarters or formal meetings.

The activities of the USLAJC are controlled by the SWP through work done by SWP members. Richard Garza, SWP National Committee member, is Assistant Executive Secretary of the USLAJC. Hedda Garza, SWP member at New York City, is Editor of the "USLA Reporter", official organ of the Committee.

The SWP uses the USLAJC to propagandize on behalf of Latin American Trotskyists. The USLAJC attempts to aid Latin American political prisoners and their families through financial support and to exert influence on Latin American governments for release of the prisoners. Propaganda is spread by the Committee through distribution of literature and speeches by representatives of the USLAJC.

The SWP has been designated pursuant to Executive Order 10450.

UNITED STATES COMMITTEE TO AID THE
NATIONAL LIBERATION FRONT OF SOUTH VIETNAM

On October 14, 1966, a source furnished a leaflet entitled, "Policy Statement, 20 July 1966, U.S. Committee to Aid the National Liberation Front of South Vietnam" (USCANLF-SV).

According to this leaflet, the USCANLF-SV is an Ad Hoc organization formed in April, 1965. Its mailing address was Room 5, 103 MacDougal Street, New York City. The only officer listed is WALTER D. TEAGUE, Chairman.

The USCANLF-SV supports the aims of the National Liberation Front of South Vietnam (NLF) and the right of the people of Vietnam of self-determination without the presence of United States troops. It calls for the immediate withdrawal of all United States troops from Vietnam. It will counteract the United States Government's propaganda by making available literature of the NLF; disseminating analyses and reprints of the political structure and nature of the NLF; providing speakers for street meetings, teach-ins, etc.; working with all groups for recognition of the legitimacy of the NLF, and by urging all people to send medical aid and money for medical aid to the NLF through its missions.

b7D

On October 27, 1966, a representative of the Postal Inspector's Office, New York City, advised that Post Office Box C, Old Chelsea Station, New York, New York 10011, had recently been opened in the name of USCANLF-SV.

W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source advised that on October 26-27, 1963, a conference of members of the Communist Party, United States of America (CP, USA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that 500 delegates attended the founding convention for the new youth organization which was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time, the name, W.E.B. DuBois Clubs of America (DCA) was adopted.

A third source advised in January, 1969, that the future course of the DCA was discussed at the National Committee (NC) meeting of the CP, USA, held January 4-6, 1969, in New York City. The discussion included a history of the development of the DCA. Namely, that it was founded as a socialist oriented youth organization but to the CP it meant a Marxist-Leninist organization which would provide the CP with flexibility in its approach to radicalized youth and maximum possibilities for the legality of the organization. The CP leaders at the NC meeting were considering ways of bringing new life into the organization so they can reach a greater number of people.

The second source advised on April 28, 1969, that Jarvis Tyner, is the National Chairman of the DCA and is also on the NC of the CP, USA.

A fourth source advised on June 3, 1969, that the DCA moved to new quarters on June 2, 1969, located at 22 East 17th Street, New York, New York.

WORKERS WORLD PARTY

On April 17, 1959, a confidential source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group [redacted]

[redacted] split from the SWP.

b6
b7C

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world Socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery-individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocated unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1960, source advised that this minority group had chosen the name Workers World Party.

On May 1, 1968, a second confidential source advised that the Workers World Party, which maintains headquarters at 46 West 21st Street, New York, New York, supports the People's Republic of China in its ideological dispute with the Soviet Union.

The SWP and CP have been designated pursuant to Executive Order 1045.

"YOUNG SOCIALIST"

The "Young Socialist" is a magazine published monthly, except during the summer, by the Young Socialist Alliance. The October, 1964, edition, the initial edition utilizing the magazine format, relates that this magazine succeeds the "Young Socialist" newspaper in an effort to provide "more facts on more general issues than a small newspaper can".

The "Young Socialist" newspaper was formerly described as the official organ of the Young Socialist Alliance (YSA).

The "Young Socialist" maintains office space at the headquarters of the YSA, Rooms 532-536, 41 Union Square West, New York City, and has a mailing address of Post Office Box 471, Cooper Station, New York, New York 10003.

A characterization of the YSA is set out separately.

APPENDIX

1.

YOUNG SOCIALIST ALLIANCE

The May, 1960 issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that an SWP representative has publicly stated that the YSA is the SWP's youth group.

The National Headquarters of the YSA are located in Rooms 532-536, 41 Union Square West, New York City.

On October 31, 1967, a second source advised that at the 22nd National Convention of the SWP held in New York City from October 26, 1967, to October 29, 1967, it was stated that the YSA remained as the main recruiting ground for new SWP members.

The SWP has been designated pursuant to Executive Order 10450.

A characterization of "Young Socialist" is set out separately.

YOUTH AGAINST WAR AND FASCISM

A confidential source advised on March 29, 1965, that the Youth Against War and Fascism (YAWF), formerly known as the Anti-Fascist Youth Committee, was established by the Workers World Party (WWP) in the summer of 1962, to bring college, and high school youth into the periphery of WWP activities, and thereby gain recruits for the organization.

A second confidential source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organization as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on May 1, 1968, that the YAWF maintains its headquarters at 58 West 25th Street, New York City, and publishes a magazine called "The Partisan".

A characterization of the WWP is set out separately.

MADOLE was interviewed by Bureau Agents on 3/1/68, in NYC and was cooperative. He advised he was opposed to violence. Under MADOLE's leadership, the NRP has acted non-violently although NRP pickets often incite observers into violence towards the NRP due to the inflammatory nature of the NRP propaganda. MADOLE maintains contact with NYCPD and advises of his counter-demonstrations in advance to insure police protection.

MADOLE is described as follows:

Protest Meeting Against the
Anti-Ballistic Missile (ABM)
New York, New York, and Los
Angeles, California, June 25, 1969

For the sake of clarity, characterizations of individuals and organizations mentioned herein will appear in the latter part of this memorandum.

All sources mentioned hereinafter have furnished reliable information in the past.

"The New York Times" issue of June 19, 1969, in a full page advertisement, on page 12, reflected that a protest meeting against the Anti-Ballistic Missile (ABM), was to be held at Felt Forum, Madison Square Garden, New York City, June 25, 1969. Speakers at this meeting were to include members of Congress, scientists and prominent figures in the entertainment world. According to this advertisement, the sponsors of this meeting include SANE, Women Strike For Peace (WSP) and sundry other organizations and groups.

A confidential source advised on June 19, 1969, that at a Kings County Communist Party (KCCP) Peace Caucus, at Brooklyn, New York, on June 16, 1969 tickets were available for sale for the ABM Rally to be held at Madison Square Garden on June 25, 1969.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Protest Meeting Against The
Anti-Ballistic Missile (ABM)

The same source advised on June 19, 1969 that at a meeting of the Bedford Sixth Assembly District (AD) KTCP Club meeting, on June 17, 1969 at Brooklyn, New York, tickets were sold for the ABM Rally to be held at Madison Square Garden, New York City on June 25, 1969. The number of tickets sold were unknown to source.

A second source on June 20, 1969 furnished information that SAME is the main sponsor for the ABM Rally at Madison Square Garden, June 25, 1969. Numerous other "peace organizations" also are co-sponsoring this Rally.

A third source advised on June 22, 1969, that a "full house" is expected at Felt Forum, Madison Square Garden, for the ABM Rally on June 25, 1969. This Rally will be filmed and also in case of an overflow crowd it will be broadcast into the street. This source learned that the "solid American groups" sponsoring this Rally hoped that they would have television coverage but did not know whether this would be done.

✓ A fourth source advised on June 25, 1969 that on that date a counter-demonstration was held on the west side of Eighth Avenue, opposite Felt Forum, Madison Square Garden, New York City, prior to the beginning of the protest meeting, by the National Renaissance Party (NRP). Eight demonstrators were in the NRP picket line. No incidents occurred during this counter-demonstration.

The same source advised that on the east side of Eighth Avenue, New York City, at the entrance to the Felt Forum fifteen persons engaged in picket duty. Some of these pickets carried the following signs: "Stop ABM Go Lindsay - Lindsay Volunteers Against The ABM" - "More Employment, Less Ballistic Missiles - Lindsay Volunteers Against The ABM" - "A Vote For Lindsay is a Vote Against the ABM - Lindsay Volunteers Against the ABM" - "Money For Cities Not ABM - Lindsay Volunteers Against the ABM". No incidents occurred on this picket line.

The same source advised that [] was selling the "Daily World" in front of the entrance to Felt Forum during the evening of June 25, 1969. [] passed out a one page leaflet entitled "ABM And The Vietnam War", published by Veterans For Peace In Vietnam (VPV). Unknown individuals were selling "The Militant".

The same source advised that [] wore a name plate on his lapel entitled "Production Department - []". [] was engaged in conversation with Congressman John Conyers (Democrat - Michigan) as [] escorted Conyers to his chair adjacent to the speakers platform.

Following the end of the protest meeting the same source advised that [] was engaged in conversation with and escorted Senator Albert Gore (Democrat - Tennessee) from his seat adjacent to the speakers platform out of the Felt Forum to a glass door entrance to the upper section of Madison Square Garden, where a reception was being held by the persons running the protest meeting.

The same source advised that [] attended this protest meeting and was seated adjacent to the speakers platform just behind the seats reserved for the individuals who spoke at the meeting.

A fifth source advised that Senator Gore was in attendance at the reception where beer, wine and sandwiches were served.

The same source advised on June 25, 1969 that [] not further identified and [] were in charge of this protest meeting.

A sixth source reported the following regarding activity inside Felt Forum, Madison Square Garden, June 25, 1969:

Protest Meeting Against The
Anti-Ballistic Missile (ABM)

At 8:10 PM, Paul Newman, actor, Master of Ceremonies, for the evening, read two telegrams, one from Senator Edmund Muskie, and the other from Senator Mark Hatfield. Both telegrams were in opposition to the ABM System.

Newman then introduced former Senator Joseph Clark, who called upon all those present to call their congressmen tomorrow in Washington and ask them to vote against ABM.

The next speaker, Doctor Jerome Wiesner, Provost, Massachusetts Institute of Technology (MIT) and former science advisor to President John F. Kennedy, set forth reasons why he thinks the Safe Guard System would not work.

Senator Albert Gore, Tennessee, was the next speaker. He stated that he was proud to join those on the road to peace, even though their motives and patriotism have been questioned by some people. In addition to his expressed opposition to the ABM, he proposed an end to the Vietnam War.

The next speaker was John V. Lindsay, Mayor of New York City. He drew a parallel between the money spent on the war in Vietnam and a missile system and what this money could mean in terms of schools, housing and services for the people of New York City if the money was spent in New York City instead of being wasted on the war. Lindsay stated "But if Vietnam has taught us anything for its enormous cost, it is that military force is no remedy. It cannot build peace. It cannot cure injustice. It cannot answer our needs here at home anymore that in Vietnam. It does not work".

Paul Newman then announced that the next half hour of the program would be filmed for later showing on local television stations. Those who participated in a satire, along with Newman, were Brigadier General William Wallace Ford, United States Army, Retired; Doctor William Brewster (Acoustic) from Harvard University; Doctor Edmund Ford, M.D.; Doctor Jerome Wiesner; Lauren Bacall, Actress; Tony Randall, Actor;

Protest Meeting Against The
Anti-Ballistic Missile (ABM)

George Siegall, Actor and Dustin Hoffman, Actor. The satire ridiculed the money being spent on defense systems and especially the ABM System.

[redacted] a functionary in Americans For Democratic Action (ADA), made an appeal for funds from the audience. He stated that for \$1000 dollars this filmed satire could be shown on a local television station, or for \$500, radio time could be obtained for broadcasting the dramatization described above. A collection was then taken by ushers, and Paul Newman later announced that between \$50,000 and \$60,000 was collected either in cash, checks or pledges.

Speeches were then made by Congressman Ogden Reid, New York; John Conyers, Michigan; and Allan Weinstein, New York.

The last speaker was Professor George Vail, Harvard University, who made an impassioned plea for disarmament and an end to the arms race, which included defeat of the ABM System.

The Rally was attended by approximately 5000 individuals and the rally ended at 11:00 PM.

There were no known incidents or arrests inside or outside of Felt Forum on June 25, 1969.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 23, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-white.
3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

FIFTH AVENUE VIETNAM PEACE
PARADE COMMITTEE - ANTI-WAR
DEMONSTRATION AT WALDORF ASTORIA
HOTEL, NEW YORK CITY
COINCIDING WITH APPEARANCE OF
PRESIDENT RICHARD M. NIXON
DECEMBER 9, 1969

On December 9, 1969, Special Agents of the Federal Bureau of Investigation (FBI) observed a picket line demonstration commence at approximately 5:00 p.m. on the sidewalk on Park Avenue between 47th Street and 49th Street, New York City. The demonstration was primarily sponsored by the Fifth Avenue Vietnam Peace Parade Committee (FAVPPC), an anti-war coordinating organization, which provided a sound truck at the corner of 48th Street and Park Avenue. A leaflet issued by the FAVPPC and distributed by the demonstrators indicated that the purpose of the demonstration was to demand the withdrawal of United States troops from Vietnam; condemn racist atrocities and massacres in Vietnam and condemn Nixon for shifting the blame for the war atrocities to a few soldiers. The demonstration was planned to coincide with the appearance of President Nixon at the Waldorf Astoria Hotel, 49th Street and Park Avenue, New York City, where he was being honored by the National Football Foundation and Hall of Fame.

At the height of the demonstration, approximately 2,000 individuals participated. The demonstrators carried such signs as "End U. S. War Crimes - Get Out of Vietnam Now"; "Remove Military Bases From Japan and Okinawa"; and "Free Black Panthers".

The organizations participating in the demonstration as evidenced by the signs and placards bearing their names were as follows:

Youth Against War and Facism (YAWF)
Committee of Returned Volunteers (CRV)
American Servicemens Union (ASU)

Characterizations of YAWF and
ASU appear in the appendix attached
hereto.

At approximately 5:05 p.m. a group of about 50 demonstrators carrying Viet Cong flags and plain red flags, marched to the main entrance of the Waldorf Astoria and attempted to gain entry. This group was immediately forced to disperse and no one was permitted to enter the hotel by the New York City Police. This group repeatedly chanted "Anarchy, Anarchy", while attempting to enter the hotel.

At approximately 6:10 p.m. in the midst of the picket line demonstration, the demonstrators hoisted a plain red flag on a flag pole which was taken down after approximately five minutes. In connection with this incident, brief scuffling between the police and the demonstrators took place and two demonstrators were observed taken into custody.

While the picket line demonstration was in progress, an anti-war rally utilizing the sound truck took place at 47th Street and Park Avenue, in front of the Union Carbide Building. Five brief speeches were delivered between 6:30 p.m. and 6:50 p.m. by unidentified individuals. The content of these speeches was inaudible due to faulty sound equipment used by the demonstrators.

During the above anti-war demonstration, the National Renaissance Party (NRP) conducted a counter-demonstration at 51st Street and Park Avenue which consisted of twelve NRP members carrying anti-semetic signs. In addition, another group of counter-demonstrators consisting of approximately 40 individuals wearing "Silent Majority" buttons and carrying American flags demonstrated their support of President Nixon at 50th Street and Park Avenue.

A characterization of the NRP appears in the appendix attached hereto.

At approximately 6:55 p.m. a group of about 400 individuals broke away from the main anti-war demonstration and proceeded west on 48th Street from Park Avenue to Fifth Avenue. This contingent then proceeded north to 50th Street and Fifth Avenue where St. Patrick's Cathedral and Saks Department Store are located. The demonstrators ran in the middle of the street, disrupting traffic and causing a general state of confusion among holiday shoppers in this immediate area which embraces Rockefeller Center and contains office buildings and fashionable shops and stores. Extensive breakage was caused by this group in this immediate area. All the windows on the floor level of Saks Department Store on 50th Street between Fifth Avenue and Madison Avenue were broken by the demonstrators.

Approximately 100 demonstrators pursued by the police ran through Saks Department Store, which had large numbers of shoppers present. A group of approximately 20 demonstrators also ran through St. Patrick's Cathedral. The police restored order to this area by 7:45 p.m., after approximately 40 arrests were made on varying charges.

A confidential source who has furnished reliable information in the past advised that the group which broke away from the demonstration at the Waldorf Astoria Hotel consisted largely of members of the YAWF and the Weatherman Faction of Students for a Democratic Society (SDS).

A characterization of SDS appears in the appendix attached hereto.

The demonstration in the vicinity of the Waldorf Astoria Hotel ended at 9:00 p.m.

Special Agents of the FBI observed that most of the demonstrators were more concerned during the above demonstration and related incidents with social ills and alleged injustices to Black Panther Party Members. Chants of "Free the Panther 21", "Avenge Fred Hampton", recently slain Chicago Black Panther Party leader, and "Free Huey Newton", incarcerated Black Panther Party leader, were prevalent during the above demonstration.

A characterization of the Black Panther Party (BPP) appears in the appendix attached hereto.

Special Agents of the FBI observed President Nixon enter the Waldorf Astoria Hotel through the side garage entrance at 6:15 p.m. unimpeded by the demonstrators.

A second confidential source who has furnished reliable information in the past advised on December 7, 1969 that a New York Regional SDS meeting was held from 2:00 p.m. to 6:00 p.m., December 7, 1969 at Harouts, a hippie hang-out, 14 Waverly Place, New York City, with approximately 200 persons in attendance, including representative of YAWF and the SDS factions of the Weathermen, Mad Dogs and Revolutionary Youth Movement II. This source advised that Mark Rudd, whom he identified as National Secretary of SDS was among 14 Weathermen present at this meeting. Also present were [redacted] and [redacted] who were identified as SDS members working out of the SDS National Office in Chicago, Illinois.

At this meeting Rudd called on everyone present to participate in the demonstration at the Waldorf Astoria Hotel, New York City on December 9, 1969. He stated that he wanted "action" and not just a picket line. Rudd was not specific as to what type "action" he desired.

AMERICAN SERVICEMEN'S UNION

On November 1, 1968, a source advised that the American Servicemen's Union (ASU), formed during early 1968, maintains headquarters at 156 Fifth Avenue, New York, New York. ASU is dominated and controlled by the Workers World Party (WWP) and is designed to advance WWP efforts to undermine United States political and military objectives abroad by fomenting discontent among military enlisted personnel and by calling for establishment of a servicemen's union. ASU's chief propaganda weapon is publication of "The Bond - The Servicemen's Newspaper", which is widely circulated at military installations free of charge and at times unsolicited.

b6
b7C

The source also advised that the ASU [] is [] undesirably discharged from the United States Army in April, 1968. [] is a member of the WWP. "ASU" and "The Bond" are terms used interchangeably in connection with WWP interests in military matters. The former has no real existence apart from the latter, since the publication is the primary means of generating interest among and communicating with servicemen interested in formation of a union. The union does not function as an organization at this time. It has, however, been given much publicity in each edition of "The Bond".

A characterization of the WWP is set out separately.

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam war stance to an advocacy of a militant anti-imperialist position. China, Vietnam and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969, SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both the NO forces and the PLP forces claim to be the true SDS. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding CASTRO's position that the duty of revolutionaries is to make revolution. Weatherman is regarded by RYM II as an adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although

disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction, which is more commonly known as the Worker Student Alliance, is dominated and controlled by members of the PLP, who are required to identify themselves with the pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of the PLP is attached.

PROGRESSIVE LABOR PARTY (PLP)

The "New York Times" city edition Tuesday, April 20, 1965, Page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by MILTON ROSEN and MORTIMER SCHEER after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31, to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention, MILTON ROSEN was unanimously re-elected National Chairman of the PLP and LEVI LAUB, FRED JEROME, JARED ISRAEL, WILLIAM EPTON, JACOB ROSEN, JEFFREY GORDON and WALTER LINDER were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor", a bimonthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

The April, 1969, issue of "Challenge-Desafio", sets forth that "Challenge is dedicated to the peoples fight for a new way of life-where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.
